## ABSTRACT

This document presents campus statistics for the University of California, Berkeley for the fall quarter 1973 and year 1972-73. Part 1 presents statistics for campus enrollment; new, continuing, and returning students; full-time, and part-time students; undergraduates by college or school and class level; major field of study; undergraduate and graduate students by department; home locality at time of admission; students in the education-abroad program; sources of new undergraduate students by type of transfer institutions; age of students; ethnic identity of students; instructional staff in teaching departments; and university extension. Part 2 presents similar data with the inclusion of distribution of cumulative grade-point averages for students who completed the spring quarter 1973, degrees and certificates awarded year 1972-73, degrees awarded 1972-73 by department, summer session enrollments, and university extension. ## DEFINITIONS

### UNDERGRADUATE STUDENTS

Regular -- Those who have met all requirements for admission to the University and who pursue programs which lead to bachelor's degree.

Special -- Those of mature years who have not had the opportunity to complete a satisfactory high school program and who have not completed a substantial amount of college work and who by reason of special attainments may be prepared to undertake certain courses in the University toward a definite and limited objective.

Limited -- Those who hold a bachelor's degree but are not candidates for an advanced degree or those who do not hold a bachelor's degree but have completed a substantial amount of college work and who, by reason of special attainments, may be prepared to undertake certain courses in the University toward a definite and limited objective.

### GRADUATE STUDENTS

Those who hold a bachelor's degree or its equivalent and are working toward a certificate, first professional degree or a higher degree.

Professional -- Those who are currently working toward a first professional degree (Juris Doctor, Master of Library Science, Master of Social Welfare, and Master of Optometry), or a certificate.

Master's -- Those who are currently working toward a master's degree (excluding first professional master's degrees).

Beginning Doctoral -- Those who are working toward the doctoral degree but have completed less than 36 quarter units in graduate status, do not have a master's degree, and have not been advanced to candidacy.

Advanced Doctoral -- Those who are working toward the doctoral degree and have completed 36 or more quarter units in graduate status, and/or have a master's degree, and/or have been advanced to candidacy.

### NEW STUDENTS

Undergraduate -- Those who have never previously enrolled in a regular session (summer session excluded) at Berkeley.

Graduate -- Those who have never previously enrolled in a regular session (summer session excluded) in graduate status at Berkeley.

## CONTINUING STUDENTS

A continuing student must be in attendance during the three regular quarters (Fall, Winter, and Spring). A student who misses any of these quarters must apply for readmission upon return. Attendance during the summer is not required for continuing status.

## RETURNING STUDENTS

A returning student is any student who is returning after absence during one or more of the three regular quarters (Fall, Winter, or Spring).

## FULL-TIME STUDENTS

Undergraduate -- Those who carry twelve or more units in a given quarter.

Graduate -- Those who are progressing towards their degree/certificate objective at a rate which is 75% or more of a normal full-time rate as determined on an individual basis by their graduate advisers.

## PART-TIME STUDENTS

Undergraduate -- Those who carry fewer than twelve units in a quarter.

Graduate -- Those who are progressing toward their degree/certificate objective at a rate which is less than 75% of a normal full-time rate as determined on an individual basis by their graduate advisers.

## HOME LOCALITY

Permanent home address stated by the student at the time of admission.

### NOTE:

The School of Law is operating on a semester system rather than a quarter system. All data in this report include Law Students.

Data in this report for the academic year 1972-73 are based on the number of students registered as of the end of the second week of classes. Data for Fall 1973 are based on the number of students registered as of the end of the third week of classes.
